

### **Disclaimer**

These materials and information, as well as the underlying code/application they relate to, are provided by TransCelerate Biopharma Inc. AS IS. Any party using or relying on this information, these materials, and/or the underlying code/application do so entirely at their own risk. Neither TransCelerate nor its members will bear any responsibility or liability for any harm, including indirect or consequential harm, that a user may incur from use or misuse of this information, materials, or underlying code/application.

TransCelerate does not endorse any particular software, system, or service. And the use of specific brands of products or services by TransCelerate and its collaboration partners in developing the SDR Reference Implementation should not be viewed as any endorsement of such products or services. To the extent that the SDR Reference Implementation incorporates or relies on any specific branded products or services, this resulted out of the practical necessities associated with making a reference implementation available to demonstrate the SDR's capabilities.
